FREQUENTLY ASKED QUESTIONS...

1. What is the difference between the Workshop & the Seminar?

The Workshops are delivered to smaller group sizes (maximum of 35 per class) hence are more interactive. Students receive handouts and are asked to participate in small group discussions. There is a morning break included in the delivery time. Students receive a certificate of completion*

The Seminars are delivered as inspirational talks. The facilitator will cover all the same great content and use volunteers from the group to demonstrate key points. The session is highly engaging and there is time for questions.

2. What age & how many students can participate?

Workshops are available to Grade 3 – 12 (35 max)
Seminars are available to Grade 7 – 12 and can be delivered to a maximum of two grade levels at a time. This is to insure age gaps are appropriately spaced for the facilitation style. There are no minimum numbers required to make a booking.

3. Are there any further costs?

Yellow Lantern has skilled facilitators situated in many locations throughout Australia. However, if your school or organization is situated more than 50km from your nearest facilitator a flat fee of \$40 will be added to your invoice. In some instances we may not be able to service your location. Please call our national office 1300 442903 for more info.

4. Can I alter the delivery time?

Should you wish to alter or change the session times you will need to contact us. Typically, a facilitator will only be available to your organization for a maximum of 2 hrs. However we try to be as accommodating as possible, so please discuss your particular needs with us.

5. Can we tailor the sessions to suit our needs?

Each workshop has a set design which we find runs powerfully and smoothly. However we are happy to incorporate your suggested theme or emphasise a particular area you would like to place focus on.

6. What do we need to provide?

- secure room or hall for the presenter & students
- projector & screen (for seminar bookings only)
- school teacher present during session duration
- access to the room 10 minutes prior
- access to school photocopier to print student handouts*

* Supplying the printing of your own program handouts & course certificates insures the cost of this program remains as low as possible. You can choose to allow your facilitator access to your photocopier, or request that the handout documents be forwarded to your school to be printed prior to the date of your program. Please notify us if you do not wish to assist in the printing (as an extra photocopy fee of \$30 must be added to your agreement).

6. How do we book?

Email info@yellowlantern.com.au with the details of the program that interests you and at least 2 possible dates AND times for your booking.

A 50% deposit will be taken at the time of booking your workshop. Full payment of your invoice needs to be received prior to the session start date.

A 50% cancellation fee will be charged if notification is not received at least 30 days prior to the date of the program. If Yellow Lantern needs to cancel the program for any reason, you will be offered alternative dates. If these dates do not work, 100% of your payment will be refunded.
